Enrich Bones with Essential Minerals...

Calrege D3 Max

Softgel Capsule

Calcitriol 0.25mcg + Calcium Carbonates 500mg + Dha 120mg + Epa 180mg
+ Elemental Boron 1.5mg + Folic Acid 400mcg + Methylcobalamin 1500mcg

Calcitriol : Increases & maintains bone mass.

Folic acid : is used for preventing and treating low blood levels of folate (Folate deficiency).

Calcium Carbonate : Essential for bone formulation & maintenance.

Eicosapentaenoic Acid : Supports therapy in Diabetes & CVC

Docosahexaenoic Acid : Used for treating type 2 diabetes, coronary artery diseases.

Methylcobalamin : Maintains & regenerates neurons.

Osteoporosis

Fractures

Fractures

Elderly Patients

Renal Osteodystrophy

Feel the pain free life in Neuropathic pain...

Pregarege-MINT

Pregabalin 75mg + Nortryline 10mg + Methylcobalamin 1500mcg Tab.

Methylcobalamin :

- Convert harmful homocysteine into beneficial methionine.
- Restores delayed synaptic transmission.
- Repairs worn out neuronal medullary sheath.

Nortryline :

- Second generation tricyclic antidepressant effective in relieving neuropathic pain.
- Elevates mood by raising the level of Neurotransmitters .
- Effective in alleviating the anxiety component of depression because of its sedative action

Pregabalin :

- Possesses anxiolytic analgesic and anticonvulsant activity.
- Possesses high bioavailability (90% vs 33%-63%).
- Highly effective in relieving the Neuropathic pain.

Indicated in :

- Diabetic nerve pain (DPN).
- Postherpetic neuralgia (PHN).
- Adjunctive therapy for adult patient with partial onset seizures.
- Fibromyalgia.
- Neuropathic pain associated with spinal cord injury.

The Booster Supplement for Healthy Life ...

CO- enzyme Q10 , Omega -3 fatty acid (EPA & DHA),
Cyanocobalamin, L- Arginine, L-Tartrate, L-Glutathione ,
Multivitamin & Multiminerals capsules.

CO- enzyme Q10 :

*Co- enzyme Q10 is useful in effective in energy metabolism.
Useful for preventing migraine headache.
Parkinson's diseases and many others conditions.*

Lycopene :

Act as an antioxidant preventing the free radical effect.

Zinc :

Indicated for induction of RBC formation, haemoglobin formation and to support menstruation cycle in women.

L-carnitine :

L-Tartrate:Improves vitality, helps in preventing heart problems.

L-arginine :

Improves ovarian response and pregnancy rate in poor responders.

CARDIOVASCULAR DISEASES

DIABETIC NEUROPATHY

LOW IMMUNITY

FATIGUE / WEAKNESS

POST OPERATIVE

MALE & FEMALE INFERTILITY

When Osteoarthritis & Rheumatoid problems lead to Pain and Immobile joint

Collafin C2

(Collagen peptide type II , Boswellic Acid , Hyaluronic Acid , Curcumin, Chondroitin Sulphate, Vitamin D3, Glucosamine HCL, Magnesium, L- Arginine, Vitamin K27 & Vitamin C tablet)

Collagen Type 2 :

- Strengthen bones & joints , improves flexibility.

Boswellic Acid :

- Reduce inflammation & supports health.
- Boosts immune system.
- Useful in chronic inflammatory illness.

Glucosamine :

- Improves cartilage flexibility and helps promote cartilage rebuilding.

Magnesium :

- Helps maintain the Energy level.
- Helps the muscles contract.
- Support maintainance of Bone health.

Vit D3 and Zinc :

- Helps to maintain Normal bones.

Chondroitin sulphate :

- Helps to Enhance shock absorbing properties, of Collagen and retain cartilage water.

Indiacation :

Osteoarthritis

Athletic injuries

Accidental injuries

Convalescence after Orthopaedic surgeries.

Normalizes the pain, sensation in Diabetic Neuropathy.....

NomGaba™ - NT

(Gabapentin 400 mg + Nortriptyline 10 mg)

Gabapentin :

- FDA approved for postherpetic Neuralgia
- Anti- Convulsant: Uncertain mechanism.
- Limited intestinal absorption and well tolerated.
- No Significant drug interaction.

Nortriptyline:

- Second generation tricyclic antidepressants.
- Intolerable side effect more frequent with Amitriptyline.
- Improvement in Insomnia, Anxiety, Depression.

Indication:

Diabetic Polyneuropathy

Alcoholic Neuropathy

Neuropathy with Depression

Neuralgia of Varied Etiology

Hold **Smile**, lift Depression...

NeuSert-50/100

Tablet

Sertraline HCL 50/100mg

- Blocks the reabsorption of serotonin in the brain
- Ease depression by increasing levels of serotonin in the brain

RESPONSE & REMISSION

- Effective in all subtype of Major depressive disorder on all rating scales.
- Alleviates symptoms & offer remission.

Indication

Major depressive disorder

Panic disorder

Post traumatic stress

Social anxiety disorder

NEUSERT feels well being and happy

Hold **Smile**, lift Depression...

Social anxiety disorder

NEUSERT feels well being and happy

For all types of Neuropathic pain....

PALMISEF

Tablet

(Palmitoylethanolamide 600 mg+Lactobacillus Acidophilus 30 B. S +L tryptophan 4 mg)

PEA in PALMISEF

- *PEA is highly effective analgesic especially having better efficacy in Neuropathic and inflammatory pain
- *PEA is effective in pain associated with Diabetic and peripheral Neuropathy
- *PEA is effective in post herpetic Neuralgia, Trigeminal Neuralgia, Glossopharyngeal Neuralgia.

L.Acidophillus in PALMISEF

Lactobacillus Acidophilus help restrain inflammation in the brain, which is a key factor in many neurological condition. L.Acidophillus have antioxidants properties that can help combat oxidative stress , a major contributor to Neuro degenerative diseases.

L-Tryptophan in PALMISEF

L-Tryptophan is a crucial amino acid in the brain and is vital for mood, sleep and behavior.

Indication:

Lumbo -Sciatic pain

Low back pain

Diabetic peripheral Neuropathy

Reduction in chronic Neuropathic pain

Treat Neuropathy with Efficacy and Safety.....

Neuralgia associated with
Peripheral Neuropathy
Drug Induced Neuropathy
Diabetic Neuropathy

Pregabalin + Methylcobalamin+ Alpha Lipoic Acid

- * Provides pain relief and reduces sleep interference
- * Addition of Methylcobalamin and ALA to Pregabalin improves nerve function.

Pyridoxine

- * Fulfills need of dietary pyridoxine thus reduce risk of developing Neuropathy.

Folic Acid

- * Reduces pain , numbness and tingling during Neuropathy

A Complete Nutrition for Good Health & Growth

PROTIVITETM - DHA *Sugar free*

*(A Balanced protein Supplement Fortified with Essential Vitamins, Minerals and Dha)
(Vanilla Flavour)*

- *Boost Immunity prepares body to fight against various diseases.
- *Fulfills the body's need of proteins.
- *Helps in maintaining, repairing & rebuilding of body tissue.
- *Helps in the important physiological functions.

Benefits of DHA

- *Supports the Normal development of the Brain, Eyes & Nerves
- *Proven benefit for the human heart .

INDICATION :

CVS Growth

Protein Deficiency

Improved memory

General Debility

Pregnancy & Lactation

Loss of Appetite

Impaired Growth

Growth of children

Stay **Active and healthy** life with.....

ADEWEL - 400

Tablets

(S-adenosyl-l-methionine 400 mg Tablets)

- Act as the main methylating agent in the liver, Opposes the toxicity of free oxygen radicals generated by various pathogens. Effective in the patients with cholestatic liver diseases.
- Regulates hepatocyte Growth, Independent of its role as a methyl donor. Attenuates liver injury caused by alcohol and other hepatotoxins.
- It works by helping to balance chemicals in the brain and reducing inflammation in the body.
- Improves the functions of joint and decreases the experience of pain in Rheumatoid Arthritis.
- As effective as NSAIDs in the reducing pain without the adverse effect which are associated with NSAIDs .

Indication:

Liver Diseases

Rheumatoid Arthritis

Osteoarthritis

Depression

*In Management of Diarrhoea
and irritable bowel syndrome.....*

Rifazol - 400

Rifaximin 400 mg Tablets

Indication

- ◆ Irritable bowel syndrome
- ◆ Small intestinal bacterial overgrowth.
- ◆ Hepatic Encephalopathy with caution.
- ◆ Reduces HE episodes frequency, hospitalization rate & serum endotoxin within 2 weeks .
- ◆ Shows significant improvement in IBS related abdominal pain and stool consistency.
- ◆ IBS bloating, belly pain and Diarrhoea.
- ◆ Show low risk of inducing bacterial resistance.

*Your trusted Combined
Therapy for Hypertension....*

TELVITETM CL

(Telmisartan 40mg + Cilnidipine 10 mg tab)

TELMISARTAN :

- ◆ It shows equal benefits in Composite endpoint of CV death, ML, Stoke, CHF hospitalization and organ protection.
- ◆ Has Lower rates of cough and Angioedema, hence lesser side Effects and better tolerated than ramipril .

CILNIDIPINE:

- ◆ Cilnidipine significantly Reduces higher BP and PR hypertensive patients especially in the morning and Night.
- ◆ Improve renal function and lipid metabolism compared to others CCBs.

Indication:

- ♡ Heart Attack
- ♡ Heart failure
- ♡ High blood pressure
- ♡ Diabetic kidney disorders

Also available

TELVITE 40

(Telmisartan 40 mg Tablets)

First line choice in Epilepsy....

DIVASUMTM OD $\frac{250}{500}$

(Divalproex sodium Extended release 250/500 mg Tab.)

- *It controls seizures or fits by decreasing the abnormal and excessive activity of the nerve cells in the brain .*
- *First line anti epileptic drug treatment for patients with partial epilepsy.*
- *Rapid stabilisation of mania without imposing a greater adverse effect .*
- *Effective and well tolerated prophylactic treatment for migraine and cluster headache.*
- *Significantly lowers the hospital stay of patients in all type of bipolar disorders.*
- ◆ **PARTIAL EPILEPSY**
- ◆ **BIPOLAR DISORDERS**
- ◆ **MIGRAINE AND CLUSTER HEADACHE**
