

Caring For Health

FOR THE TREATMENT OF IRON DEFICIENCY.....
ANAEMIA...

A new version in ANAEMIA management....

IRONMIL

(Liposomal ferric phosphate 30mg + Folic Acid 300mcg + Vitamin C 65mg + Vitamin B6 1.6mg + Vitamin B12 2.2mcg)

Prevent ANAEMIA

Provide Essential iron to Prevent and treat iron Deficiency anaemia.

Support Red blood cell prevention

Folic Acid aids in the formulation of healthy red blood cells , reducing fatigue.

Improves Energy levels

Combats tiredness and Boost overall energy by enhancing oxygen transport in the blood.

Enhances Cognitive Function

Support brain health and cognitive function by ensuring adequate iron and Folic Acid levels.

IRONMIL

*(Liposomal ferric phosphate 30mg + Folic Acid 300mcg +
Vitamin C 65mg + Vitamin B6 1.6mg + Vitamin B12 2.2mcg)*

For rapid rise in the Hb levels.

Enrich Bones with Essential Minerals...

Calrege D3 Max

Softgel Capsule

Calcitriol 0.25mcg + Calcium Carbonates 500mg + Dha 120mg + Epa 180mg
+ Elemental Boron 1.5mg + Folic Acid 400mcg + Methylcobalamin 1500mcg

Calcitriol : Increases & maintains bone mass.

Folic acid : is used for preventing and treating low blood levels of folate (Folate deficiency).

Calcium Carbonate : Essential for bone formulation & maintenance.

Eicosapentaenoic Acid : Supports therapy in Diabetes & CVC

Docosahexaenoic Acid : Used for treating type 2 diabetes, coronary artery diseases.

Methylcobalamin : Maintains & regenerates neurons.

Osteoporosis

Fractures

Fractures

Elderly Patients

Renal Osteodystrophy

The Booster Supplement for Healthy Life ...

CO- enzyme Q10 , Omega -3 fatty acid (EPA & DHA),
Cyanocobalamin, L- Arginine, L-Tartrate, L-Glutathione ,
Multivitamin & Multiminerals capsules.

CO- enzyme Q10 :

*Co- enzyme Q10 is useful in effective in energy metabolism.
Useful for preventing migraine headache.
Parkinson's diseases and many others conditions.*

Lycopene :

Act as an antioxidant preventing the free radical effect.

Zinc :

Indicated for induction of RBC formation, haemoglobin formation and to support menstruation cycle in women.

L-carnitine :

L-Tartrate:Improves vitality, helps in preventing heart problems.

L-arginine :

Improves ovarian response and pregnancy rate in poor responders.

CARDIOVASCULAR DISEASES

DIABETIC NEUROPATHY

LOW IMMUNITY

FATIGUE / WEAKNESS

POST OPERATIVE

MALE & FEMALE INFERTILITY

When Osteoarthritis & Rheumatoid problems lead to Pain and Immobile joint

Collafin C2

(Collagen peptide type II , Boswellic Acid , Hyaluronic Acid , Curcumin, Chondroitin Sulphate, Vitamin D3, Glucosamine HCL, Magnesium, L- Arginine, Vitamin K27 & Vitamin C tablet)

Collagen Type 2 :

- Strengthen bones & joints , improves flexibility.

Boswellic Acid :

- Reduce inflammation & supports health.
- Boosts immune system.
- Useful in chronic inflammatory illness.

Glucosamine :

- Improves cartilage flexibility and helps promote cartilage rebuilding.

Magnesium :

- Helps maintain the Energy level.
- Helps the muscles contract.
- Support maintainance of Bone health.

Vit D3 and Zinc :

- Helps to maintain Normal bones.

Chondroitin sulphate :

- Helps to Enhance shock absorbing properties, of Collagen and retain cartilage water.

Indiacation :

Osteoarthritis

Athletic injuries

Accidental injuries

Convalescence after Orthopaedic surgeries.

A Complete Nutrition for Good Health & Growth

PROTIVITETM - DHA Sugar free

*(A Balanced protein Supplement Fortified with Essential Vitamins, Minerals and Dha)
(Vanilla Flavour)*

- *Boost Immunity prepares body to fight against various diseases.
- *Fulfills the body's need of proteins.
- *Helps in maintaining, repairing & rebuilding of body tissue.
- *Helps in the important physiological functions.

Benefits of DHA

- *Supports the Normal development of the Brain, Eyes & Nerves
- *Proven benefit for the human heart .

INDICATION :

CVS Growth

Protein Deficiency

Improved memory

General Debility

Pregnancy & Lactation

Loss of Appetite

Impaired Growth

Growth of children

Effective neuropathic therapy to treat burning sensation....

Pregarege-NT

(Pregabalin 75 mg + Nortriptyline 10 mg Tablets | 10 x 10 Tablets)

Pregabalin :

- FDA approved for postherpetic neuralgia.
- Potent anticonvulsant with faster absorption and high bioavailability.
- Helps reduce neuropathic pain and pain-related sleep interference.

Nortriptyline :

- Increases serotonin and norepinephrine levels.
- Helpful for sleep, mood and migraine prevention with neuropathic pain.

Indication:

FIBROMYALGIA

DIABETIC NEUROPATHY

PERIPHERAL & CENTRAL NEUROPATHY

GENERALIZED ANXIETY DISORDER

Feel the pain free life in Neuropathic pain...

Pregarege-MINT

Pregabalin 75mg + Nortryline 10mg + Methylcobalamin 1500mcg Tab.

Methylcobalamin :

- Convert harmful homocysteine into beneficial methionine.
- Restores delayed synaptic transmission.
- Repairs worn out neuronal medullary sheath.

Nortryline :

- Second generation tricyclic antidepressant effective in relieving neuropathic pain.
- Elevates mood by raising the level of Neurotransmitters .
- Effective in alleviating the anxiety component of depression because of its sedative action

Pregabalin :

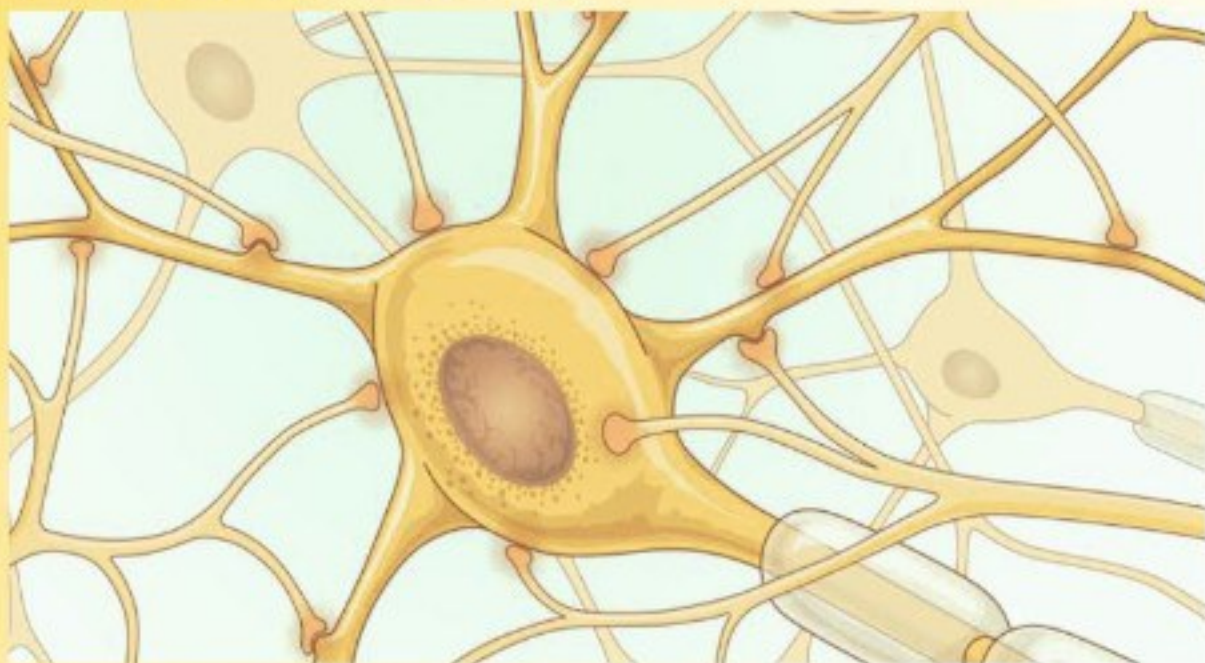

- Possesses anxiolytic analgesic and anticonvulsant activity.
- Possesses high bioavailability (90% vs 33%-63%).
- Highly effective in relieving the Neuropathic pain.

Indicated in :

- Diabetic nerve pain (DPN).
- Postherpetic neuralgia (PHN).
- Adjunctive therapy for adult patient with partial onset seizures.
- Fibromyalgia.
- Neuropathic pain associated with spinal cord injury.

Treat Neuropathy with Efficacy and Safety.....

Neuralgia associated with
Peripheral Neuropathy
Drug Induced Neuropathy
Diabetic Neuropathy

Also Available

PREGAREGE MNT

*(Methylcobalamin 1500 mcg + Pregabalin 75mg +
Nortriptyline 10 mg tab)*

PREGAREGE NT

(Pregabalin 75+ Nortriptyline 10 mg tab)

PREGAREGE - FORTE

*(Pregabalin 75mg+Methylcobalamin 750 mcg+
Alpha lipoic Acid 100 mg+ Pyridoxine 3 mg+ Folic Acid 1.5 mg)*

Pregabalin + Methylcobalamin+ Alpha Lipoic Acid

- * Provides pain relief and reduces sleep interference
- * Addition of Methylcobalamin and ALA to Pregabalin improves nerve function.

Pyridoxine

- * Fulfills need of dietary pyridoxine thus reduce risk of developing Neuropathy.

Folic Acid

- * Reduces pain , numbness and tingling during Neuropathy

Defeat Diabetic Neuropathy with.....

Pregarege-D

Pregabalin 75mg+Duloxetine HCL 20 mg cap (Delayed Release)

PREGABALIN

Recommended by AAN guidelines as firstlines therapy for DPN for it's effectiveness in reducing pain and pain related sleep interference.

DULOXETINE

Effectively Reduces moderate or severe pain associated with PDPN.

COMBINATION

Ensures Reduction in pain severity by 30% to 50%.

INDICATION:

Fibromyalgia

Diabetic Neuropathy

Post herpetic neuralgia

Post operative pain

Peripheral Neuropathy

Also Available,

Pregarege-NT

Pregabalin 75mg + Nortriptyline 10mg Tablets

Pregarege-MNT

Pregabalin 75mg + Nortriptyline 10mg +
Methylcobalamin 1500mcg Tab.

PREGAREGE - FORTE

(Pregabalin 75mg+Methylcobalamin 750 mcg+
Alpha Lipoic Acid 100 mg+ Pyridoxine 5 mg+ Folic Acid 1.3 mg)

Thank You Doctor
