

Caring For Health

First line choice in Epilepsy....

DIVASUMTM OD $\frac{250}{500}$

(Divalproex sodium Extended release 250/500 mg Tab.)

- *It controls seizures or fits by decreasing the abnormal and excessive activity of the nerve cells in the brain .*
- *First line anti epileptic drug treatment for patients with partial epilepsy.*
- *Rapid stabilisation of mania without imposing a greater adverse effect .*
- *Effective and well tolerated prophylactic treatment for migraine and cluster headache.*
- *Significantly lowers the hospital stay of patients in all type of bipolar disorders.*
- ◆ **PARTIAL EPILEPSY**
- ◆ **BIPOLAR DISORDERS**
- ◆ **MIGRAINE AND CLUSTER HEADACHE**

A Neuron Reborn with each 5 ml....

NEUCARNO SYP

(L-Carnosine 100 mg Syrup, 200 ml | Sugar free | Mango flavour)

L-Carnosine :

- Naturally occurring dipeptide with antioxidant and neuroprotective action.
- Helps language comprehension, object recognition and fine motor skills.
- Supports cognitive development, auditory processing and nervous system function.
- Helps prevent oxidative stress and improve symptoms in autistic spectrum disorders.

Indication:

LANGUAGE COMPREHENSION

COGNITIVE DELAYS

AUDITORY PROCESSING

GROSS MOTOR ABILITY

L-Carnosine + DHA + Vitamin D3 for growing minds....

NEUCARNO-DS

(L-Carnosine 200 mg + DHA 335 mg + Vitamin D3 400 IU Syrup, 200 ml | Sugar free | Mango flavour)

L-Carnosine :

- Antioxidant support for brain function, memory and learning.
- Helps language behaviour, awareness of surroundings and expressive language.

DHA + Vitamin D3 :

- DHA supports focus, attention and neuronal membrane health.
- Vitamin D3 400 IU supports overall neurodevelopment with sugar-free mango syrup.

Indication:

LANGUAGE BEHAVIOUR

MEMORY

FOCUS & ATTENTION

SOCIALIZATION

Neuroprotectant tablet for cognition and memory....

NEUCARNO FORTE

(L-Carnosine 200 mg + Ginkgo Biloba Extract + Vitamin D3 Tablets | 1 x 10 Tablets)

L-Carnosine + Ginkgo :

- Antioxidant support that helps cognitive decline and learning disorders.
- Improves brain function and strengthens memory as a neuroprotectant.
- Helps neuropsychiatric conditions including dementia and memory loss.

Clinical focus :

- Useful in autism, post-stroke cognitive impairment, dementia and memory loss.
- Helps reduce associated depression and anxiety while supporting cognition.

Indication:

AUTISM

DEMENTIA

MEMORY LOSS

POST STROKE COGNITION

Complete nerve nutrition in diabetic & peripheral neuropathy....

BENFOREGE PLUS

(Benfotiamine 150 mg + Methylcobalamin 1500 mcg + Alpha Lipoic Acid 100 mg + Pyridoxine 1.5 mg + Calcium Pantothenate 5 mg + Folic Acid 1.5 mg + Zinc + Chromium + Inositol 150 mg + Lutein 5 mg Softgel)

Nerve regeneration :

- Activates nucleic acid and protein synthesis in the nerves.
- Promotes regeneration of degenerating nerve terminals and neuronal protection.
- Increases nerve conduction velocity in diabetic neuropathic patients.

Metabolic support :

- Neutralizes stress mediators and revitalises immune response.
- Improves ability to heal and withstand the stress of physical injury.

Indication:

PERIPHERAL NEUROPATHY

DIABETIC NEUROPATHY

HYPERHOMOCYSTEINEMIA

CERVICAL VERTEBRAL SYNDROME

Effective neuropathic therapy to treat burning sensation....

Pregarege-NT

(Pregabalin 75 mg + Nortriptyline 10 mg Tablets | 10 x 10 Tablets)

Pregabalin :

- FDA approved for postherpetic neuralgia.
- Potent anticonvulsant with faster absorption and high bioavailability.
- Helps reduce neuropathic pain and pain-related sleep interference.

Nortriptyline :

- Increases serotonin and norepinephrine levels.
- Helpful for sleep, mood and migraine prevention with neuropathic pain.

Indication:

FIBROMYALGIA

DIABETIC NEUROPATHY

PERIPHERAL & CENTRAL NEUROPATHY

GENERALIZED ANXIETY DISORDER

Feel the pain free life in Neuropathic pain...

Pregarege-MINT

Pregabalin 75mg + Nortryline 10mg + Methylcobalamin 1500mcg Tab.

Methylcobalamin :

- Convert harmful homocysteine into beneficial methionine.
- Restores delayed synaptic transmission.
- Repairs worn out neuronal medullary sheath.

Nortryline :

- Second generation tricyclic antidepressant effective in relieving neuropathic pain.
- Elevates mood by raising the level of Neurotransmitters .
- Effective in alleviating the anxiety component of depression because of its sedative action

Pregabalin :

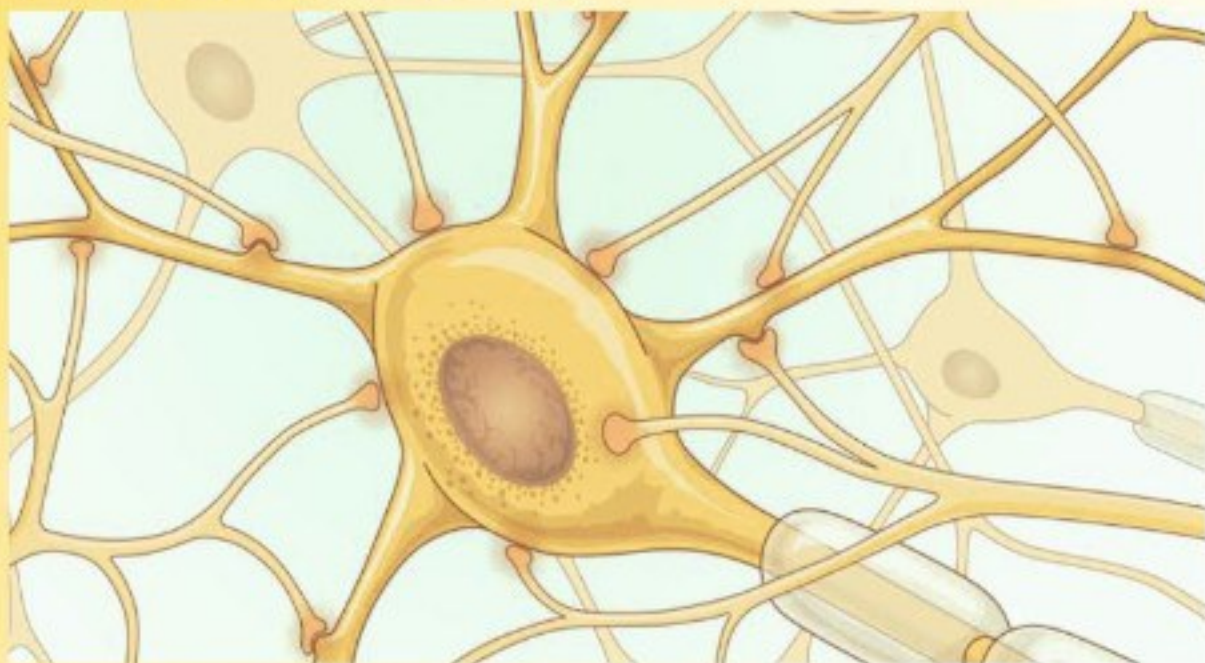

- Possesses anxiolytic analgesic and anticonvulsant activity.
- Possesses high bioavailability (90% vs 33%-63%).
- Highly effective in relieving the Neuropathic pain.

Indicated in :

- Diabetic nerve pain (DPN).
- Postherpetic neuralgia (PHN).
- Adjunctive therapy for adult patient with partial onset seizures.
- Fibromyalgia.
- Neuropathic pain associated with spinal cord injury.

Treat Neuropathy with Efficacy and Safety.....

Neuralgia associated with
Peripheral Neuropathy
Drug Induced Neuropathy
Diabetic Neuropathy

Also Available

PREGAREGE MNT

*(Methylcobalamin 1500 mcg + Pregabalin 75mg +
Nortriptyline 10 mg tab)*

PREGAREGE NT

(Pregabalin 75+ Nortriptyline 10 mg tab)

PREGAREGE - FORTE

*(Pregabalin 75mg+Methylcobalamin 750 mcg+
Alpha lipoic Acid 100 mg+ Pyridoxine 3 mg+ Folic Acid 1.5 mg)*

Pregabalin + Methylcobalamin+ Alpha Lipoic Acid

- * Provides pain relief and reduces sleep interference
- * Addition of Methylcobalamin and ALA to Pregabalin improves nerve function.

Pyridoxine

- * Fulfills need of dietary pyridoxine thus reduce risk of developing Neuropathy.

Folic Acid

- * Reduces pain , numbness and tingling during Neuropathy

Defeat Diabetic Neuropathy with.....

Pregarege-D

Pregabalin 75mg+Duloxetine HCL 20 mg cap (Delayed Release)

PREGABALIN

Recommended by AAN guidelines as firstlines therapy for DPN for it's effectiveness in reducing pain and pain related sleep interference.

DULOXETINE

Effectively Reduces moderate or severe pain associated with PDPN.

COMBINATION

Ensures Reduction in pain severity by 30% to 50%.

Also Available,

Pregarege-NT
Pregabalin 75mg + Nortriptyline 10mg Tablets

Pregarege-MNT
Pregabalin 75mg + Nortriptyline 10mg +
Methylcobalamin 1500mcg Tab.

PREGAREGE - FORTE
(Pregabalin 75mg+Methylcobalamin 750 mcg+
Alpha Lipoic Acid 100 mg+ Pyridoxine 5 mg+ Folic Acid 1.3 mg)

INDICATION:

Fibromyalgia

Diabetic Neuropathy

Post herpetic neuralgia

Post operative pain

Peripheral Neuropathy

Normalizes the pain, sensation in Diabetic Neuropathy.....

NomGaba™ - NT

(Gabapentin 400 mg + Nortriptyline 10 mg)

Gabapentin :

- FDA approved for postherpetic Neuralgia
- Anti- Convulsant: Uncertain mechanism.
- Limited intestinal absorption and well tolerated.
- No Significant drug interaction.

Nortriptyline:

- Second generation tricyclic antidepressants.
- Intolerable side effect more frequent with Amitriptyline.
- Improvement in Insomnia, Anxiety, Depression.

Indication:

Diabetic Polyneuropathy

Alcoholic Neuropathy

Neuropathy with Depression

Neuralgia of Varied Etiology

Relief in spasticity, spasm and muscular rigidity....

BACLOREGE 10 / 20

(Baclofen Tablets IP 10 mg | Baclofen Extended Release Tablets 20 mg | 10 x 10 Tablets)

Baclofen :

- Used to treat muscle spasm and stiffness, including spasm of multiple sclerosis.
- Inhibits monosynaptic and polysynaptic reflexes at the spinal level.
- Enhances inhibitory neurotransmitters GABA and glycine.
- Decreases release of excitatory neurotransmitters aspartate and glutamate.

Indication:

SPASTICITY

MUSCLE SPASM

MUSCULAR RIGIDITY

LOW BACK PAIN

When Osteoarthritis & Rheumatoid problems lead to Pain and Immobile joint

Collafin C2

(Collagen peptide type II , Boswellic Acid , Hyaluronic Acid , Curcumin, Chondroitin Sulphate, Vitamin D3, Glucosamine HCL, Magnesium, L- Arginine, Vitamin K27 & Vitamin C tablet)

Collagen Type 2 :

- Strengthen bones & joints , improves flexibility.

Boswellic Acid :

- Reduce inflammation & supports health.
- Boosts immune system.
- Useful in chronic inflammatory illness.

Glucosamine :

- Improves cartilage flexibility and helps promote cartilage rebuilding.

Magnesium :

- Helps maintain the Energy level.
- Helps the muscles contract.
- Support maintainance of Bone health.

Vit D3 and Zinc :

- Helps to maintain Normal bones.

Chondroitin sulphate :

- Helps to Enhance shock absorbing properties, of Collagen and retain cartilage water.

Indiacation :

Osteoarthritis

Athletic injuries

Accidental injuries

Convalescence after Orthopaedic surgeries.

Enrich Bones with Essential Minerals...

Calrege D3 Max

Softgel Capsule

Calcitriol 0.25mcg + Calcium Carbonates 500mg + Dha 120mg + Epa 180mg
+ Elemental Boron 1.5mg + Folic Acid 400mcg + Methylcobalamin 1500mcg

Calcitriol : Increases & maintains bone mass.

Folic acid : is used for preventing and treating low blood levels of folate (Folate deficiency).

Calcium Carbonate : Essential for bone formulation & maintenance.

Eicosapentaenoic Acid : Supports therapy in Diabetes & CVC

Docosahexaenoic Acid : Used for treating type 2 diabetes, coronary artery diseases.

Methylcobalamin : Maintains & regenerates neurons.

Osteoporosis

Fractures

Fractures

Elderly Patients

Renal Osteodystrophy

For all types of Neuropathic pain....

PALMISEF

Tablet

(Palmitoylethanolamide 600 mg+Lactobacillus Acidophilus 30 B. S +L tryptophan 4 mg)

PEA in PALMISEF

- *PEA is highly effective analgesic especially having better efficacy in Neuropathic and inflammatory pain
- *PEA is effective in pain associated with Diabetic and peripheral Neuropathy
- *PEA is effective in post herpetic Neuralgia, Trigeminal Neuralgia, Glossopharyngeal Neuralgia.

L.Acidophillus in PALMISEF

Lactobacillus Acidophilus help restrain inflammation in the brain, which is a key factor in many neurological condition. L.Acidophillus have antioxidants properties that can help combat oxidative stress , a major contributor to Neuro degenerative diseases.

L-Tryptophan in PALMISEF

L-Tryptophan is a crucial amino acid in the brain and is vital for mood, sleep and behavior.

Indication:

Lumbo -Sciatic pain

Low back pain

Diabetic peripheral Neuropathy

Reduction in chronic Neuropathic pain

Neuro / Physician care

NEUCORTIX 30

Deflazacort Tablets 30 mg | 10 x 10 Tablets

Helps manage inflammatory conditions that cause neurological symptoms, and inflammatory conditions affecting muscles and joints.

ARTHRITIS

ANKYLOSING SPONDYLITIS

INFLAMMATION

The Booster Supplement for Healthy Life ...

CO- enzyme Q10 , Omega -3 fatty acid (EPA & DHA),
Cyanocobalamin, L- Arginine, L-Tartrate, L-Glutathione ,
Multivitamin & Multiminerals capsules.

CO- enzyme Q10 :

*Co- enzyme Q10 is useful in effective in energy metabolism.
Useful for preventing migraine headache.
Parkinson's diseases and many others conditions.*

Lycopene :

Act as an antioxidant preventing the free radical effect.

Zinc :

Indicated for induction of RBC formation, haemoglobin formation and to support menstruation cycle in women.

L-carnitine :

L-Tartrate:Improves vitality, helps in preventing heart problems.

L-arginine :

Improves ovarian response and pregnancy rate in poor responders.

CARDIOVASCULAR DISEASES

DIABETIC NEUROPATHY

LOW IMMUNITY

FATIGUE / WEAKNESS

POST OPERATIVE

MALE & FEMALE INFERTILITY

*Your trusted Combined
Therapy for Hypertension....*

TELVITETM CL

(Telmisartan 40mg + Cilnidipine 10 mg tab)

TELMISARTAN :

- ◆ It shows equal benefits in Composite endpoint of CV death, ML, Stoke, CHF hospitalization and organ protection.
- ◆ Has Lower rates of cough and Angioedema, hence lesser side Effects and better tolerated than ramipril .

CILNIDIPINE:

- ◆ Cilnidipine significantly Reduces higher BP and PR hypertensive patients especially in the morning and Night.
- ◆ Improve renal function and lipid metabolism compared to others CCBs.

Indication:

- ♡ Heart Attack
- ♡ Heart failure
- ♡ High blood pressure
- ♡ Diabetic kidney disorders

Also available

TELVITE 40

(Telmisartan 40 mg Tablets)

Stay **Active and healthy** life with.....

ADEWEL - 400

Tablets

(S-adenosyl-l-methionine 400 mg Tablets)

- Act as the main methylating agent in the liver, Opposes the toxicity of free oxygen radicals generated by various pathogens. Effective in the patients with cholestatic liver diseases.
- Regulates hepatocyte Growth, Independent of its role as a methyl donor. Attenuates liver injury caused by alcohol and other hepatotoxins.
- It works by helping to balance chemicals in the brain and reducing inflammation in the body.
- Improves the functions of joint and decreases the experience of pain in Rheumatoid Arthritis.
- As effective as NSAIDs in the reducing pain without the adverse effect which are associated with NSAIDs .

Indication:

Liver Diseases

Rheumatoid Arthritis

Osteoarthritis

Depression

Complete acid control with gastric emptying support....

PANTOREGE 40 / DSR

(Pantoprazole 40 mg GR Tablets | Pantoprazole 40 mg + Domperidone DSR Capsules | 10 x 10)

Pantoprazole :

- Acid suppressing agent with longer duration of acid inhibition.
- Neutralizes gastric acid secretion and provides complete acid suppression.

Domperidone (DSR) :

- Controls symptoms of nausea and facilitates gastric emptying.

Indication:

GERD

GI BLEEDING

POST OPERATIVE REFLUX

GASTRIC / DUODENAL ULCER

Thank You Doctor
